Plota Muicín

Insíonn Muicín scéal Mercy Munroe. Tá a saol tar éis titim as a chéile. Caitheann sí a cuid ama anois mar fhreastalaí i mbialann mhearbhia in Uíbh Fhailí, iomlán gafa leis an díoltas agus a hiar-chailín cara. Go tobann, tagann a sean-dlúthchairde, a thréig í fadó, isteach sa bhialann. Níos déanaí sa dráma, tugann a hiar-chailín cara Gemma cuairt uirthi.

What is the plot of Muicín?

Muicín follows Mercy Munroe who, after a breakdown in college, now spends her days working in a chip shop in Offaly, consumed by an unhealthy obsession with revenge and her ex-girlfriend. Until one day when her two old best friends walk into the chip shop.

Later in the play, we learn more about Mercy's time in college when she is visited by Gemma, her ex-girlfriend.
