Page 3 - Ground Floor Information

- You will get a set of wireless headphones as you enter Project Arts Centre.
- A member of staff will show you how to use them.
- The headphones connect to all of the music the DJs will play through different channels.

- The Cube is the smaller DJ and dance space.
- Dancing will happen on the stage area in front of the seating.
- There will be various different neuro-friendly resources present in the space.
- Haze will be present in the space at different times.

- A craft area will be available at the bottom of the stairs in the Lower Foyer.
- Here you can make wearable materials during the event.
- A member of the Wired collective will facilitate this activity

- The DJ set on the ground floor will take place in The Cube from 8.30pm - 10.30pm.
- Two DJs will perform one after another.
- Music will be played through speakers and through one of the headset channels.
- Music will be high energy.

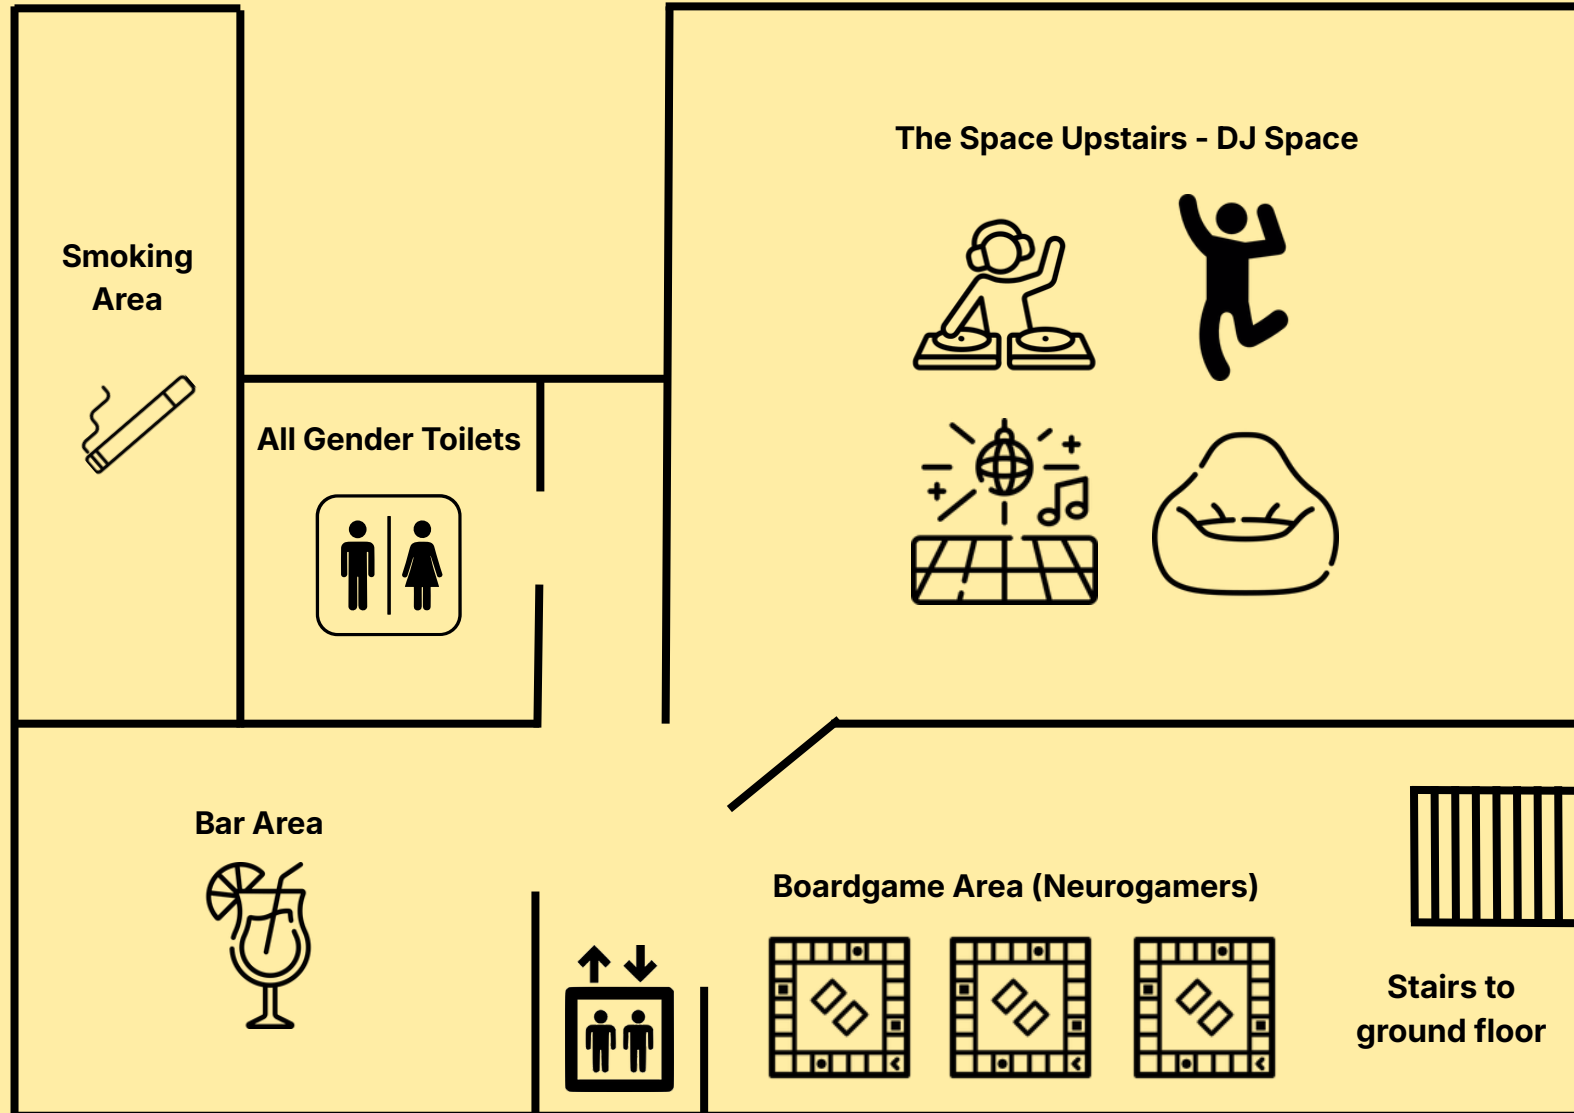

- Dancers and hosts will be present in The Cube space.
- They will be responding to the music in different ways.
- You do not need to engage with the dancers if you do not want to.

- A chill out space will be located underneath the stairs in the Lower Foyer.
- There will be bean bags and other sensory tools located here.
- You can chill out here if you want to.

- You will mainly use wireless headphones in The Space Upstairs.
- A third channel with more chill music on a playlist is also available which you can access via your headset.

- The Space Upstairs is the bigger DJ and dance space.
- Dancing will happen on the stage area in front of the seating.
- There will be various neuro-friendly resources present and some chill out spaces and seating.
- Haze will be present in the space at different times.

- A board game area will be situated at the top of the stairs.
- This will be facilitated by Neurogamers who are an independent group to Wired.

- The DJ set on the first floor will take place in The Space Upstairs from 8.30pm-10.30pm.
- There will be two DJs present who will DJ one after the other.
- They will be playing music through one channel.
- Music will be feel-good.

- Dancers and hosts will be present in The Cube space.
- They will be responding to the music in different ways.
- You do not need to engage with the dancers if you do not want.

- The Bar is located on the First Floor.
- Here you can buy drinks and snacks.
- There is also some seating available around the space.
- No drinks are allowed in the DJ or dance spaces.
- There is an outdoor smoking area also available next to the bar.
